REMARKS

The application has been amended. In accordance with the Examiner's request, formal drawings have been prepared. Subject to the approval of the Examiner, substitution of these formal drawings for the informal drawings presently on file is respectfully requested.

Moreover, the Examiner has objected to the specification. In the "Brief Description of the Drawings", the reference to Fig. 2 has been deleted and a description of Figs. 2a and 2b has been included. Moreover, in the "Detailed Description", a similar change has been made.

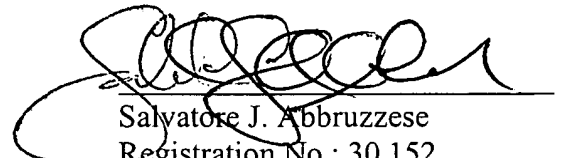

It is respectfully submitted that the amendments to the drawings and to the specification addresses the Examiner's concerns. Therefore, having received notice that prosecution on the merits is closed in accordance with the practice under Ex parte Quayle, the application is believed to be in condition for allowance. Favorable action thereon is respectfully solicited.
